Natalie B. Gates, Superintendent

In accordance with regulations and the delegated authority provided in Title 36, Code of Federal Regulations ("36 CFR"), Chapter 1, Parts 1-7, authorized by Title 16 United States Code, Section 3, the following provisions apply to all lands and waters administered by the National Park Service, within the boundaries of Haleakala National Park. Unless otherwise stated, these regulatory provisions apply in addition to the requirements contained in 36 CFR, Chapter 1, Parts 1-7.

Written determinations, which explain the reasoning behind the Superintendent's use of discretionary authority, as required by Section 1.5(c), appear in this document identified by italicized print.

I. 36 CFR §1.5 – VISITING HOURS, PUBLIC USE LIMITS, CLOSURES, AND AREA DESIGNATIONS FOR SPECIFIC USE OR ACTIVITIES

(a)(1) The following visiting hours and public use limits are established for all or for the listed portions of the park, and the following closures are established for all or a portion of the park to all public use or to a certain use or activity:

Visiting Hours:

- The Park is open to the public year round.
- The Headquarters Visitor Center is open daily from approximately 7:45 am - 3:45 pm.
- The Haleakala Visitor Center is open daily from sunrise to approximately 3:00 pm.
- The Kipahulu Visitor Center is open daily from approximately 9:00 am to 5:00 pm.

Public Use Limits:

- Overnight backcountry camping requires a permit issued by Haleakala National Park.
- Group size limits of 12 applies to all camping, hiking, and horseback uses and to all backcountry wilderness area uses.
- Glass containers and glassware are prohibited within 100 feet of any stream.
- Overnight camping is limited to a total of three nights in thirty days.
- Hiking at Haleakala National Park is restricted to established trails as identified by the Park map or the paved areas provided no traffic safety issues develop.
- Alcohol consumption is restricted to the Kipahulu and Hosmer Grove campground areas.
- The establishing or erecting of play structures including bounce facilities, wading pools, slack lines, water slides, etc., is prohibited.
- Park water supplies are for personal or stock use only. They may not be used for recreational purposes.
- Parking of vehicles is restricted to designated or established parking and pullouts.

Closures:

- All areas of the Park are closed to off-trail travel.
Closures are designated to protect critical ecosystems, including threatened and endangered species habitat.
- Launching, landing or operating an unmanned aircraft from or on lands and waters administered by the National Park Service within the boundaries of Haleakala National Park is prohibited, except as approved in writing by the superintendent.
Prohibitions are to provide for public safety, preserve the Park's natural and protected species, and to ensure the scenery and soundscapes associated with the designated Wilderness and adjacent areas.
- All caves and lava tubes are closed to entry.
Closures are designated to protect critical ecosystems and cultural resources.
- Kipahulu Valley above terminus of Pipiwai Trail, at Waimoku Falls is closed to entry.
Closures are designated for visitor safety and to protect critical ecosystems, including threatened and endangered species habitat.
- Park roads and areas closed to the public include:

Water Catchment and access road
Water Treatment facility and parking
Park Offices and Administrative buildings
Employee parking areas
Facilities and Resources base yard
Park Residential Areas
Kipahulu base yard

Closures are designated to protect government and personal property from vandalism and theft and to provide for employee safety, security, and privacy.

All roads are subject to emergency closures without notice, prior to, during, and following natural disasters and events including: hurricanes, tsunamis, high winds, flooding conditions, volcanic eruptions and/or seismic activity. Watches and warnings issued for events may also dictate closures.

- Watch: Good possibility that predicted conditions could occur anytime within 36 hours.
- Warning: High probability that predicted conditions could occur anytime with 24 hours.

(a)(2) The following areas have been designated for a specific use or activity, under the conditions and/or restrictions as noted:

Camping:

- Refer to §2.10 for detailed camping area designations.

Passenger Busses:

- Engines must be shut down when not underway.

The idling of bus engines adds unnecessary exhaust fumes to the air and diminishes the enjoyment by visitors of the peace and tranquility of the Park.
